

REMARKS/ARGUMENTS

On January 27, 2009, a Notice of Allowance was mailed to Applicants.

Applicants thank the Examiner for this allowance of Claims 1-22 and 24.

However, Applicants received Examiner's voicemail message on February 24, 2009 requesting a modification of the terms "input detection module" and "render module" in Claim 17. Responsive to Examiner's request, Claims 17-18, and 21 have been amended without adding new matter. Twenty-three claims remain pending in the application: Claims 1-22 and 24. Reconsideration of claims 17-18, and 21 in view of the amendments above is respectfully requested.

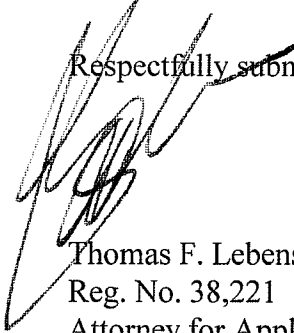

By way of this amendment, Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain any outstanding issues, it is respectfully requested that the Examiner telephone the undersigned at (805) 781-2865 so that such issues may be resolved as expeditiously as possible.

CONCLUSION

For all the reasons advanced above, Applicants request that this Amendment under Rule 312 be entered and that action is earnestly solicited.
